Dear Harold:

The whole Pershing Gervais bit stinks. I feel that I am only a witness to the processing of these individuals into durance vile.

Russell Schonekas, 1507 Pere Marquette Building, a close personal friend, is handling Pershing. Also, Pershing is an uninvited but frequent visitor here. I shall discuss you with both of them at the earliest.

I know nothing new on the Raul matter.

Kindest regards,

GUY JOHNSON
